3 Jul 2021: [Local Competitions Organiser Guide](#)

LOCAL COMPETITION ORGANISER GUIDE		
WHEN ORGANISING COMPETITION IT IS IMPORTANT TO CONSIDER A NUMBER OF KEY PRINCIPLES. HERE'S A SHORT GUIDE OF WHAT COMPETITION ORGANISERS COULD CONSIDER.		
England Rugby	WHY SHOULD WE DO THIS?	HOW CAN WE DO THIS?
BE FLEXIBLE!	Flexible playing opportunities are what players are asking for Matches don't always need a full complement of players - smaller numbers can ensure the match goes ahead, reducing cancellations Make it easy and enjoyable for players to play - be agile, think local, with less travel	Keep it simple - focus on enjoyment Game On is a great way to ensure games go ahead Keep your competition formats agile throughout the season and consider different formats
REACH OUT!	Understand what players' needs are Players will want different things throughout the season Co-operation between teams and players will ensure your competitions are active and meet their needs	Ensure players are asked - <i>this is for them!</i> Reach out and stay connected with your clubs, teams and players when building your competitions Use technology and social media channels to keep in touch, get feedback, and promote events
SUPPORT!	It's important clubs, teams and players are kept up to date with your latest information Ongoing support can help more matches take place Think about how you can make it easier for them to play	Keep in regular contact with team captains, team managers and fixture secretaries - what issues are they facing you can support with? Be open-minded to adapting your competition during the season - your competition offer should remain accessible to get as many players playing as possible

LET'S BE AGILE, GET ALL OUR PLAYERS ON THE PITCH, AND SUPPORT THEM TO PLAY THE GAME THEY LOVE

We've developed a one page support guide to assist in the planning and delivery of local competitions. A jpeg version is attached and you can access the full document, complete with clickthroughs, here...

Scrums & mauls can be re-instated in training. A minimum 3-week preparation period of training sessions follows ahead of match play. Pre-season matches allowed from 7th August. Coaches: "Slow & steady wins the race" -incremental return.

23 Jul 2021: [Women's Rugby Festival July 2021](#)

Another sunny day of Women's rugby took place on Sunday 18th July at West Hartlepool RFC. Durham County clubs were joined by Northumberland guests, Novocastrians Ladies. All those involved are keen to push the boundaries and take up the challenge of getting women's rugby well and truly on the map in the North East.

Six referees from Durham County Referees Society officiated at the event including John Pearson who is our longest serving referee having started his refereeing Career 54 years ago while still at school in Cumbria

10 Aug 2021: [Global Law Trials 2021](#)

The global law trials apply to competitions beginning on or after 1st August 2021

Prior to the August 20th monthly Training and Development meeting please find below beneficial links relating to the new Global Law Trials which are being implemented in competition games from the 1st August.

From World Rugby. This link in addition provides numerous video clips.

<https://www.world.rugby/the-game/laws/global-law-trials>

From England Rugby. Along with interesting scenarios that England Rugby have asked World Rugby to clarify.

10 Aug 2021: [Age Grade Law Change](#)

A law change that will be introduced for the 2021-2022 season which will see the tackle height made consistent across all contact levels of age grade rugby in England.

The new law is part of a continual evolution of player welfare initiatives. This important piece of work builds on everything already done in the age grade game over the last decade to put in place a building block approach to full contact rugby.

Further detail and support will be provided throughout the summer for players, coaches, schools and colleges. However, we wanted to provide a summary today following the law change approval by RFU Council.

What can you expect for 2021-2022 following this law change?

The existing rules for those playing full contact rugby at U9 to U14 levels has an imagined line between the armpits as the maximum height of a legal tackle. This will continue.

Under the law change, these rules will now extend across all U15 to U18 age groups, bringing the tackle height down

from shoulder level (as per previous rules) to the armpit. This means that all age grade players from U9-U18 will play to the same tackle height law. Players participating at U7 and U8 level will continue to play non-contact rugby, as is the case now. There are also other rugby options available including tag, touch and adapted versions of the contact game such as X-rugby for those players wanting to play variations from the full contact version of the game.

Why the change?

While the age grade and professional game cannot be realistically compared, the aim of the law change is to further reduce any community game high risk tackle events by taking two heads out of the same “air space”.

The approach has the potential to reduce the number of head impacts as well as change the shape of the game, with fewer rucks and more offloads.

There is an opportunity to use the law regarding tackle height to reduce head-to-head contacts in front-on tackles when both players are upright (and their heads are in the same “air-space”).

As a result of no rugby in the 2020-2021 season due to Covid-19, all age grade players, except for next season’s U17 and U18 age grades, will only have experienced tackling below the line of the armpit. A continuation of the laws they were previously familiar with will support their reintegration back into the game.

Maintaining a single tackle height also supports the integration of players in the dual or triple age bands in the girls’ game.

Reminder of guidance and support available to help players enjoy their rugby safely

As you know, player welfare is always at the heart of the training delivered to coaches, referees and medics at all levels of the game. The rules in place ensure maximum possible safety for children, allowing players the time to learn rugby basics before contact is gradually introduced. Find out more about the programmes below:

- **[Don’t be a headcase](#)** – concussion awareness and education programme
- **[Rugby Safe](#)**
- **[Activate injury prevention programme](#)** is a brilliant way to prepare for playing rugby.

Click the Activate button below to learn about exercises that will help. Better still, why not practice them with friends or as a family over the summer so you’re ready for the new season?

For your information, in addition to the law change explained above, the RFU will be implementing and evaluating a waist height tackle law variation and restricting late dipping/leading into contact with the head by the ball carrier in approximately 1,200 games in the Under 16 to Under 18 age grades during 2021-2022.

To find out more about this you can read the full story on [EnglandRugby.com](#) below:

9 Aug 2021: MATCH REPORT: Blaydon Ladies 54 - Stockton 27.

Blaydon 54 - Stockton 27.

Not so long ago Blaydon faced a difficult Friday night trip to Stockton and were well beaten by a very good Stockton side. This Friday Blaydon gained revenge for that poor display running in 10 tries in the process.

The rain seems to follow this fixture around but that didn't stop a healthy crowd enjoying a high scoring game. Like recent weeks, Blaydon started on the front foot and took the lead through an Emily Bowman try. This was shortly followed by another try from fellow try scoring machine Toni Robinson to make it 10-0. Then a concerning break in the game saw Toni stretchered off. Pleased to say its minor ligament damage when it looked a lot worse.

27 Jul 2021: [DMP 7S SEASON UPDATE](#)

An update on the summer sevens season so far for our DMP sides.

Morpeth 7s.

DMP 7s ran out winners at their first tournament of 2021 at Morpeth RFC.

Players were keen to get back to playing rugby after a prolonged absence from the game due to the Covid restrictions.

Not the ideal 7s conditions as the rain set in but the players stuck to the task in hand and ran out Cup Final Winners against Akuma Beavers beating Blaydon, Mighty Peth and the Wailers along the way.

Player of the Tournament: Euan McKirdy.

DMP 7s Social Team ran out Plate Winners in the Social Tournament, some old faces rolled back the years and

nurtured a couple of younger players to have a decent run out.

Macclesfield 7s

DMP 7s travelled to Macclesfield RFC for their second 7s tournament of the summer with a much changed squad due to players attending the wedding of Warren Seals. This allowing a couple more squad players to have a run out. The journey down to Macclesfield caught a couple of players out which meant a rather hasty couple of throughs before the first game against Rascals 7s. With the journey still in the legs a 12-12 draw was notched up for the first game. DMP 7s won their remaining two group games and progressed to the Cup quarter finals against Burton RFC. A strong performance to beat Burton RFC saw DMP 7s progress through to the Cup Semi Final against Lymm RFC.

A tough semi final with a couple of calls not going their way saw DMP 7s lose to Lymm RFC.

Player of the Tournament: Liam Checksfield.

DMP7s are next in action at the Stay Strong Stu 7s being held at Tynedale RFC on Saturday 31st July. We look forward to another tournament and hope friends and supporters can come along and support the team.

20 Jul 2021: PRE SEASON FIXTURES REVEALED

Pre season fixtures for our senior men's squad have been revealed with all three games taking place at Mayfield Park.

We kick things off on Friday 13th August when we host Billingham 2nds/3rds. This fixture comes a week after the adapted laws, which removed scrums and mauls from the game, comes to an end.

Seaham, who were promoted to Durham Northumberland 2 last time round, are the visitors on Wednesday 18th August before we entertain Acklam in a final warm up fixture on Saturday 21st August.

We await the outcome of the draw for the County Cup first round which is scheduled to take place on Saturday 28th August.

1 Aug 2021: Mayfield Park 7s

Big thank you to all of the players and teams that took part in the Mayfield Park 7s today and contributed to an entertaining afternoon of rugby played in the true spirit of the game.

Thanks also to the match officials from @DurhamRefSoc, [Photographs](#)

Very Exciting News

Hartlepool Rovers unveil plans for new clubhouse
At last weeks' AGM details of plans for a new clubhouse were unveiled. This item brings members who could not attend up to date.

The initiative for a new clubhouse has come from Rover's CEO Alby Pattison. After his recent success in leading the team that obtained £25 million for the Hartlepool Town Deal, Alby has turned his attention to his own club. Alby has established a small team of those who have helped us with building work in the past such as Kevin Byrne, Simon Smith and Mick Brough. Paul Lincoln, Hartlepool born but now living in Thailand has also been a great help providing architectural services and insight. More...
