[The corporation opted for a 1978 film and an old episode of Flog It! over two of England's Six Nations fixtures earlier this year](#)

In a landmark move for women's rugby, all four of England's upcoming autumn Tests will be broadcast on the main BBC network. England captain Sarah Hunter has described the announcement as "huge" for the female game as the sport gears up for next year's Rugby World Cup.

"What a fantastic advert for rugby. Two side of young men, playing great rugby. The conditions were atrocious, with wind and torrential rain. Parents and coaches should be very proud. [Sunderland RFC](#) and Darlington Rugby Football Club. U16 county cup game."

1 Nov 2021: [Walking Rugby West Hartlepool RFC v Blaydon RFC](#)

This time last week Blaydon RFC were traveling to West Hartlepool RFC to play a walking rugby fixture. This was a return fixture from before COVID19, so its safe to say the players had waiting a long time for this.

Both West Hartlepool and Blaydon had a great turn out of players, with some spectators also attending.

All players showed great enthusiasm for the game and a real love for Rugby. It was a close match with the winner changing throughout the game.

With 2 minutes to go the score was 11-11, but both teams managed to get more try's in with the final score being 13-13. A drawer for both teams: [more...](#)

1 Nov 2021: Men in tights: World Rugby law change allows male players to wear leggings

Skinned knees could soon be a thing of the past in rugby union after the sport's governing body amended its laws to allow players at all levels to wear tights or leggings during games.

Law Four of the sport, which covers players' clothing, previously only permitted women to wear "cotton blend tights or leggings, with single inside seam under their shorts and socks", but has now been extended to all participants with immediate effect, World Rugby said.

The amendment has been implemented on "welfare and accessibility grounds" amid the increasing use of artificial surfaces. "With some players susceptible to abrasions on artificial surfaces, the decision gives players the option to wear tights or leggings as a preventative measure, maximising access to the game," World Rugby said. "World Rugby will also work with unions and registered artificial turf providers to ensure that rigorous best-practice maintenance programmes are observed that minimise the risk of abrasions, particularly in relation to brushing and watering especially in hot conditions."

Register for free: <https://bit.ly/3aVeKuY>

Are you considering your legal structure? This workshop gives guidance on which legal structure may suit your club best. It also examines if charitable status is relevant and how you can maximise Gift Aid.

By the end of this workshop participants will be able to:

- Understand the importance of club structures
- Understand which structure is right for their club

- Identify the different types of legal structures
- Identify top tips on how to effectively govern their club
- Understand next steps through action planning
- Identify where to find further help and advice

This is an interactive virtual workshop. The biggest benefit comes from discussions and interactions between participants. The session will not be recorded.

Please do not sign up if you are unable to attend live.

Thank you.

A great performance by 6 ladies from the ‘Gatorz’, merging with DMP “Lizzie’s” Ladies First Team to form the ‘Mowden Castle’ team, taking on Percy Park in a northern winter touch rugby match at Mowden Park.

The overall score being a draw of 6 tries each; The 14 strong team performed outstanding, showing great team spirit, skills and stamina. With the Barnard Castle ladies and Mowden ladies joining together, they are so far undefeated - one strong team!

The U10s had a great morning at the Falcons festival today, so good to have these events back on. They also met Andy Reynolds the new Barnard Castle Rugby Club Development Officer, who’s getting out into the schools in the Dale to introduce rugby to a wider audience of kids.

We will get there!

Hobsy travelled to Ryton on a colder than usual Sunday morning. Ryton, being low on numbers "borrowed" a few of our players to even the numbers out. Big thanks to Oliver, John, Isaac and Elliot for playing for Ryton. We quickly found the weak spots in Ryton's defense with a lot of tries scored by everyone. James, much to his Dad's delight made a fantastic run and scored. For his hard work and continued improvement he was awarded my Player of the match.

Joint social night

Saturday 9th October saw both the men's and women's 1st teams without a game which turned out to be the perfect weekend to plan a joint team social of which the theme was "blue!" The long awaited team bonding session was a massive hit as they laughed around the table of empty beer pong cups! The men's 2nd team and the veterans joined after their away games, both being in high spirits after their games whether it was a win or a loss!

A defeat by West Stags was hard to take but it was a great game of rugby especially for the neutral. Exciting to the last when City thought they'd won it with a penalty with two minutes to go only to lose it to a West penalty on full-time.

ANOTHER GAME OF TWO HALVES.

Selection was much changed from last week and even more so when Tom McGowan cried off. So five changes in the forwards with none of the more experienced forwards available for one reason or another. So Matty Etherington came from the bench into the second row with Matt T becoming the third sub.

25 Oct 2021: [Horden Ladies v Durham University II](#)

With Horden's league season off to a slow start due to Covid and a team withdrawal it was an opportunity not to be missed to get some game time under the belt against Durham University IIs and Development team. Leaving the changing rooms with what sounded like a Viking battle cry Horden intended to get Durham on the back foot early and stamp their physicality. Things didn't go quite to plan though with an organised and swift footed Durham first to score. Horden had some early discipline issues and found themselves dug in deep and two tries down. However they found their footing and the pack began to organise their pods and Jess Cheesman took over their first try converted by Sarah Thompson. Nicole Johnston then ran in the first of her hat trick, a creative try keeping hearts in mouths over the grounding. Horden finally found their footing dominating scrums and lineouts and another score on the board this time a first try for Emma Cox. At the half heads were high but Horden knew they had more to give and should have been working the ball smarter. The second half brought two further tries from Nicole Johnston and a lovely jinky run from Emmy Holloway brought a score. The forwards were perhaps guilty of taking the ball in one phase too many at times, we've all been there. Durham Uni never gave up and scored as the final whistle blew on a highly competitive game that was enjoyable to watch and to play in. Final score 34-17.

The future is looking bright for the Valkyries but lots to take away and work on with coaches. Huge congratulations to Ellie Mullens and Erin Todd on their first game, both players giving and excellent account of themselves.
